

A hand-drawn site plan of a property located at 1038 Rue des Petites Fontaines. The plan shows a large green area representing the main plot, which is divided into two zones: Zone UA (1847 m²) and Zone A (497 m²). A central blue rectangular feature, possibly a pool or a building foundation, is labeled with dimensions 8.00m by 4.00m. To the left of the main plot is a hatched area labeled 'MAISON PRINCIPALE' with a total area of 150 m², consisting of a 32 m² section and a 118 m² section. An access path ('Accès') measuring 59 m² leads from the street to the main plot. The property boundaries are marked with dashed lines and labeled 'LIMITES DE PROPRIÉTÉ'. Various measurements are provided along the boundaries: top-left (54.16m, 68.70m), top-right (14m, 6.37m), bottom-right (29.31m), and bottom-left (47.86m, 11.86m). The street 'RUE DES PETITES FONTAINES' runs vertically along the left side. Several views are indicated: 'Vue 1' (top left), 'Vue 2' (middle left), 'Vue 3' (bottom left), and 'Vue 4' (bottom left corner). A yellow star symbol is located near the top-left corner of the main plot. The surrounding areas are numbered 124, 1039, and 1140. On the far left, there is a vertical strip containing colored boxes with labels: 'F.O.P.' (red), 'TAE' (white), 'ELF' (orange), 'TEL' (pink), 'EAU' (green), and 'GAB' (grey).

Diagram illustrating a rectangular plot with diagonal hatching, labeled "MAISON PRINCIPALE". The plot is bounded by a horizontal line with values 1574, 400, and 1700. Below the plot is a dark grey area with a small blue rectangle containing the number 170.
